T Block

12" Finished Block

Cut 3 squares that are $4 \frac{7}{8}$ in and then subcut these into 6 triangles. You will only need 5 of these triangles for this block.

Cut 3 squares that are $4 \frac{7}{8}$ in and then subcut these into 6 triangles. You will only need 5 of these triangles for this block.

Cut one square that is $8 \frac{7}{8}$ In and then subcut this into 2 triangles. You will only be using one of these triangles for this block

Cut one square that is $8 \frac{7}{8}$ In and then subcut this into 2 triangles. You will only be using one of these triangles for this block

Using a 1/4" seam allowance sew all the triangles together as shown large and small.

Using a 1/4" seam allowance sew your block together using the picture as a guide. Press

Your block should now measure 12 1/2" unfinished.
